

**REMARKS:**

Please replace Drawing Sheets 2/5 (FIG. 2) and 3/5 (FIG. 3) with the two appended replacement sheets. These are identical to the same (corrected) drawing sheets filed in the Amendment dated February 6, 2007, and no new matter is added. The referenced office action, copy attached, indicates in the "Identification of Drawing Deficiencies" that an ink stamp or image obscures portions of Figures 2-3. The attached replacement sheets have no such obscuring marks.

The issue fee has been paid by paper dated May 10, 2007. This submission is seen to satisfy all outstanding requirements for issue. The undersigned representative welcomes the opportunity to resolve any other matters that may remain, formal or otherwise, via teleconference at the Examiner's discretion.

Respectfully submitted:
